

Rabat, 18<sup>th</sup> January, 2024

To Miss Chryssa Tsouraki

Chief Executive Officer

IN-VR

**Letter of endorsement**

**The 1<sup>st</sup> Morocco Energy Week, June 2024, Morocco**

Masen, the Moroccan Agency for Sustainable Energy, is delighted to extend its full support and endorsement to the upcoming "Morocco Energy Week", scheduled to take place in June 2024 in Morocco.

Masen plays a key role in advancing Morocco's commitment to sustainable energy development and is dedicated to catalyzing the ecosystems and creating synergies towards the decarbonization of our economies. The Morocco Energy Week will serve as a crucial platform for gathering the main stakeholders, fostering high-level engagements and attracting new business opportunities both on a national and international scale.

With our partner IN-VR, we encourage all international, regional, and local players to endorse and actively engage in this event, leveraging the exposure provided by the Morocco Energy Week. We eagerly anticipate the presence of institutional representatives, RE major players, investors and industry executives at this strategic summit for our country.

Sincerely,

**Tarik Hamane**

**Acting Chief Executive Officer**

  
  
**Tarik Hamane**  
**Directeur Général Délégué**
